Shirley and I are excited about going to IRD in Milwaukee. We plan to tour TOPS Headquarters. The theme is Happy Days with TOPS July 7-9, 2011. Shirley is going to visit the Taste of Home too.

The summer workshop is July 30, 2011 in Danville, where we will be eating some "Super Foods" together. A special salad sounds good with each chapter bringing something colorful to add to the lettuce, dressings, paper products, and tea being provided.
