

# WHISTLE A HAPPY TUNE

November 2011 News Letter    Connie Crane, Coordinator

It is nifty, nutty and so far nice November already!!!

Did all chapter leaders get the recent mailing from TOPS that included a resume for the weight recorder to complete after your last weigh in of 2011? It is important to get the resume completed as soon as possible and mailed to me so I will have it by January 8, 2012. Please Note....The resume has a place to put my field staff number. My FSID is 0693.

Lots of you are "cashing in" on our current TOPS promotion. Just get 4 new members in your chapter and TOPS will send you a flyer stating that your chapter qualifies for a free membership. The directions on claiming your "prize" are on the flyer. This promotion lasts until December 31, 2011 so you still have time to round up some new members.

Plans are in the works for our April 13 and 14, 2012 State Recognition Days. If you would like to volunteer to help we have a variety of jobs available. No experience required for most jobs!!!! We will gladly train you!!!

We do have a need for someone with computer knowledge to be our IT person. This person will be responsible for helping workshop presenters with equipment, showing "before" pictures etc.

Wishing all of you a wonderful Thanksgiving. Take time to reflect on all we are blessed to have in our lives. I for one am grateful to have all my TOPS pals that keep me motivated.

Until next month.....Whistle a Happy Tune

Connie
