

Hello TOPS and KOPS

March 19, 2010

Are those BIRDS singing?? I think spring is finally here. But I did hear Snow in the upcoming forecast.

Let's all pray hard it is not true. Just a pre-April fool's joke.

Elections of new officers for the coming year should have taken place, and the results sent to Doris for approval.

I am excited to see who all the new officers will be, Thank you for being willing to hold a office in your Chapter.

Always remember I am here to help you if needed.

SRD is fast approaching, have you sent in all the forms that needed to be sent??? You still have another week to get most of them in on time. I hope some of you who have lost will enter the Greatest Improvement contest. Be proud of what you have accomplished. SRD is April 16 and 17, In Indy. If you need help with forms or questions just give me a call. All Chapters should help those attending with cost, if your chapter can afford it.

Area Meetings : Invitations for both meetings have been mailed. If you would like to visit one of the other Area Meetings to see how the other Area does their meeting your more then welcome to.
