HAPPY NEW YEAR EVERYONE!

I sincerely hope that this New Year finds everyone still on their way to goal. If not, then this is a good time to start. Barbara Cady talks about the theme for 2011/2012 as being “The Road to Success.” You will find this article in the December/January issue of the TOPS news. There is a program there as well. Let us all get together in our chapters and put this program to use.

To all my new chapters; in St. Joseph, Marshall, and Fulton counties. Let me say that I look forward to meeting everyone. I know that following in Margaret’s footsteps will not be easy. I will do my best. If you need anything or have questions, please do not hesitate to call or email me, anytime.

Now is the time to start thinking seriously about attending SRD. The rooms at the hotel should be available soon. I am still looking for chapters to help out at SRD from my area. Please let me know ASAP. Time is running out.

Weight recorders, you should all be working hard on your chapters resumes. Please double check them and make sure that they are correct. Also if you would sort them by category, it would be appreciated. And most importantly , please mail them on time.

The winner of the tee shirt raffle is Sarah Miller from IN1000, Middlebury. Also the winner for the new member contest is Beverly Wise from In 966, Elkhart. Congratulations to both of you. Since August, we have gained 21 new members. Good job all!

A big YAHOO, goes to chapter In 45, Elkhart, for a no gain meeting. Keep up the good work.

How about it? Any other chapters out there having no gain meetings, members reaching goal, or any other news that you could share? Email me.

That is all the news for now. I look forward to presenting the new Area Captains Program to everyone. I will be making appointments to come and visit soon.

Hugs

Sally

PS. Remember, the world is a better place because you are in it.
