

June 23, 2010

Dear TOPS Friends

Another month has passed and we completed our Spring Officers Workshop. I hope the day was fun & educational. We had 67 people in attendance representing 24 chapters.

A special thank you to MN 128, Roseville, who provided the wonderful healthy nourishments. Good job ladies. I hope you received enough in donations to cover the your cost and earn a little for your chapters treasury.

Also a word of thanks to Mr. Parshall of MN. 1722, Lexington, who assisted me when my remote for the slide projection failed. It was nice to have someone in attendance who had more knowledge in that area. Thanks again.

In my last Newsletter, I missed a few new leaders. I'd like to welcome all the new leaders and add the following people. Thank you for accepting this additional responsibility in you already busy days.

**WELCOME TO A
NEW CHAPTER,
MN 1801, ST PAUL**

MN 524, Stillwater, Jennifer Stevenson
MN 896, St Paul Park, Mavis Hornby
MN 953, New Brighton, Bonnie Dean
MN 1633 Coon Rapids, Janine Beier
MN 1790, Braham, Etta Johnson
MN 1801, St. Paul, Marge Krueger

If I can be of any assistance, please feel free to give me a call.

Chapter visits have started again this year. You may ask why are the

visits done yearly? It is my pleasure to come and see all the TOPS members in their home environment. The visit gives me the opportunity to see how your unique chapter works. This is important for referral's to future members. Many people who call are interested in how many members are in a specific chapter? What is the age range of the members in the group? What do they do for motivation? I can't give them any information unless I've been there myself.

Along this line I would also say that I appreciate your warm welcome when I do visit. That's what makes TOPS so special. It is the people like you.

If I have not called you to schedule a visit, feel free to call me.

Upcoming important dates:

Minnesota's State Recognition Days is just around the corner on May 21 & 22 in St Cloud, MN

International Recognition Days on July 15th through the 17th. This event this year is in Nova Scotia, Canada. Everyone is welcome but have that passport ready.

Minnesota Fall Rally will be October 2, 2010. More information will be coming out the end of May.

So in closing. Think healthy, think a thin. You can do it!!!

Warm Regards,

Diane M Carmichael
