

THE FOLLOWING MUST BE DONE ASAP!

1. All Maintenance was due in December. Every chapter was informed and there are a lot who haven't paid it yet. Please send it to me immediately – checks made out to me.
  
2. All chapters are asked to send in an annual fee of \$15.00 workshop fee to cover the 3 workshops each that will be held by me and Joyce.
  
3. Chapters are asked to contribute to the area captain fund. It is due NOW and from Joyce's counties as an area captain. Joyce works hard and I know you appreciate her.
  
4. Get your officer's charts to me right away, so that the leader's can get their mailings for April.
  
5. If there is anyone interested in becoming an area captain, please let me know. I definitely need someone on the east and west side of my counties. Please think about it. You must be able to drive and have a computer.
