

Fall Newsletter 2011

Dear TOPS Family,

How is your Road to Success? We sometimes need to remind ourselves that we are in control of our lives. It is easy to lose sight of this. Your Journey to Success is a thing to be achieved.

I have enclosed the following information for your chapter. Leaders please share as it is important to all members.

1. Copy of the L-007 transfer that is now on the TOPS website. Send to me when a member transfers so I can alert TOPS headquarters.
2. How I do all KOPS registrations. I have used this procedure for many years. It prevents costly time and errors.
3. L-020 Maintenance form. Both copies are to be sent with the chapter payment ASAP for 2012. The amount due is based on the active members in your chapter according to the report I receive from TOPS.
4. List of all your active chapter members, renewal dates, membership numbers, and highest weight at time of renewal.

I have copied the chapter list for all of the chapters in my area. It is information to be used by the Weight Recorder for record keeping and also for the Treasurer to keep track of renewals.

Start planning to attend the State Recognition on April 27& 28, 2012. We have relocated this event to the lovely Hilton Hotel in Fairlawn (Akron) Ohio. The hotel is located directly across from Summit Mall on Rt 18. Easily accessible from all major interstates. If you receive a letter from the committee stating you have a state winner please give them your support both emotionally and financially. This is why we do chapter fundraisers.

I have enjoyed visiting several chapters. Meeting the members is the best part of being a Coordinator. I want to thank all officers for giving of themselves each week. Presenting new ideas and giving support to our members is important. Planning and involving your entire chapter is what TOPS is all about. Our Mission Is To Save Lives. Whose life have you saved in TOPS?

I am Here For You!

TOPS Love, Tana O'Donnell - Coordinator
