

Dear Chapters,
February, 2010

Thank you all for sending me your Quarterly Fee so fast. As you know, our first one will be this month..February 20..in Ashland at the M&I Bank from 10am-noon. We will have a workshop also so I am asking you to bring your manuals. Each chapter should have 2. We will NEED those manuals to do our workshop!! Please bring a copy of the 2010 TOPS Rules, also. Many questions can be answered from the rules.

Start thinking about officers for your chapter election the first week in March...there MUST be a minimum of 2 members nominated for each office. Weight recorders and asst. weight recorders are APPOINTED by the leader IMMEDIATELY!! Be sure to have 4 envelopes (1 for each elected office) with the office written on it. Seal and keep the ballots for one year.

If any of you are planning to hold a health fair please let me know when and where it will be and I'll see that you get brochures for it. Open Houses can still be held anytime BUT January and February are the best months as people are looking to lose that extra Holiday weight they gained.

SRD is coming up fast and I hope my area has some great losers to go on stage in Ocontomowoc. The theme is "The Heart of TOPS." Don't forget to bring the heart that you received at our Fall Rally. Print your name and Chapter number on the back and deposit it in the Northern Wi. box at SRD.

The bus to IRD is still available so let me know if you're interested in that trip.

See you on the 20th!!!

HAPPY VALENTINE'S DAY!!!

Your Area Captain, Bev Leppala
