Hello All, (Leaders, **please read or have read at the meeting**).

Do not forget to share that members can use the topspride.org website to see all newsletters too.

I trust that you all were able to complete your resume, I do have two Chapters that have not completed the resume and Jackie has asked me to contact those chapters. Well another month has zipped by, has your chapter set its goal? In the attached Area meeting fee you will have a place to place to pledge your goal, be it a pounds per member goal or a goal of so many pounds for the year. You will send that pledge and the \$15.00 check to me. The \$15.00 covers all the meeting fees, such as speakers, supplies, postage and any other cost that might arise. So please make that check payable to Lisa Teeter and send the invoice and your pledge to me sometime in February 2012.

We NOT be having a meeting in February, we will have a joint 4th and first quarter Quarterly on May 19th at the Arlington Center. So I will see you the week after SRD in May.
