SEPTEMBER Newsletter 2011

Hello All, (Leaders, please read or have read at the meeting).

It was wonderful to see a few people that made it out for the walk at the Rotary Gardens on the 7th. Thanks for coming!. Watch for news for the walk at the Olbrich Gardens sometime this fall, before the snow falls.

TOPS AREA news:

FALL RALLY: Reminder that our Fall Rally will be held Saturday, October 8, 2011 at the Columbus High School in Columbus, WI. Jackie Marks' has sent you a letter about that recently this. Remember, your chapter still has to pay the fees if your chapter does not come---so you might as well have someone come. There will be several good speakers, along with a Chinese Auction and a Share the Wealth raffle. **TRY HARD TO MAKE IT!**

Quarterly Meeting Quarterly meeting is fast approaching again, hopefully no snow this time...It is Saturday November 12th at 9:00 am til around 11:00 at the Arlington Community Center.

- 200 Commercial Street, Arlington WI

WEIGHT RECORDER TRAINING: This is the meeting where special training is held for all weight recorders and assistants. The weight recorders are supposed to attend this meeting. So mark your calendars. This meeting is to review how to fill in your chapter's annual resume. These resumes are due after the last weigh-in of the year and are turned in with the official weight charts. Chapter officers are encouraged to attend also, as always.

Let me know if you have meeting or Health fairs that I can help with or get you forms.
Believe in yourself and your ability!

See you soon or see you in October and November!
