Our theme for this quarterly will be "Hooked on TOPS". Yes, it is a fishing type theme. Have fun with it.

I am hoping that many of you will join me for a morning of information, question and answer time, program and don't forget the awards. I love to give out awards.

My **feature pin** drawing is for any pin that has a **fish or fishing theme** on it.

We will be focusing on ways to get hooked on positive thinking and getting motivated to move.
