THANK YOU FOR READING THIS AT YOUR TOPS MEETING!

July 1, 2010

Dear TOPS Members,

Congratulations to our members who are headed to Halifax for IRD. What a wonderful investment to make in yourself!

Chapter visits are always a priority of mine and I have enclosed/attached a list of tentative visits. All I need is for each chapter leader to confirm the dates with me. If that date doesn't work for you, I will work with you to find a date that will work. If you do not see your chapter listed, that simply means that I work (my other job) when you meet so I am in the process of working out a date for you. I am planning on visiting every chapter of mine this year. This is an important part of my job in addition to the fact that I enjoy it so much. I look forward to hearing from you and visiting your chapters!

We still do not have a host chapter for Fall Rally. It is not too soon to be thinking about this! I am looking at Saturday October 23rd but TOPS Area Captains are flexible! Please let me know that you are interested. There is not a lot of time/work in hosting a Fall Rally. Please let me know what questions you may have. I would love to work with any of you!

Looking forward to seeing many of you in Osceola on the 10th of July for Summer Quarterly. As always, it will be a motivating way to spend your morning!

In closing, remember, "Many things which cannot be overcome when they are together, yield themselves up when taken little by little." -Plutarch

Enjoy your summer,
Theresa
